Drain-N-Dry Lath

Prepare your wall to receive stone or stucco with Drain-N-Dry[™] Lath, an industry leading solution for advanced moisture control offering a superior lath and best-in-class rainscreen all in one product.

Weep Screed Starter Strip

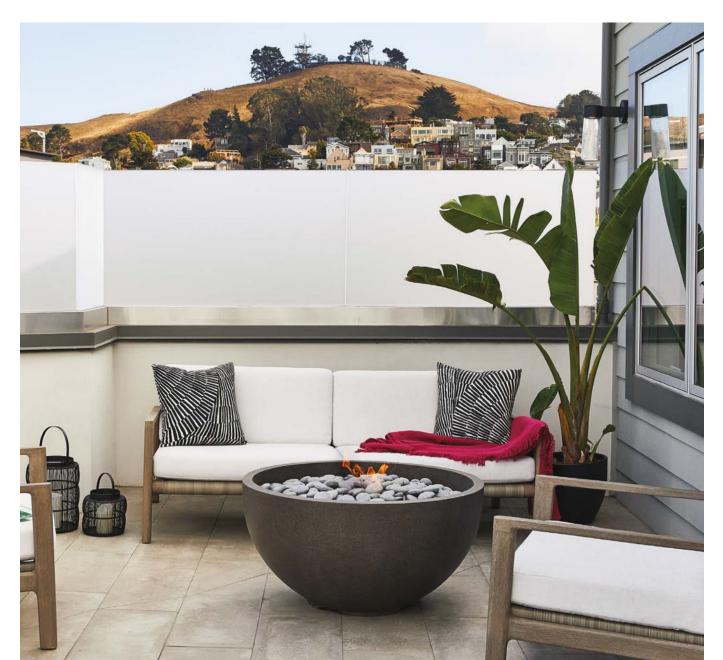

We Are Social Creatures Meant to Be Together Among the Elements

Distinguished by craftsmanship, accentuated by firelight and designed to gather round, Kindred Outdoors & Surrounds creates memorable spaces that bring people together through thoughtful composition and functionality. With hand-forged fire bowls and outdoor kitchens, friends and family can commune, converse, and unwind in comfort both inside and outside of the home.

Artisan Fire Bowls

Made from strong, glass fiber-reinforced concrete and expertly hand-sanded through a four-step finishing process. Each fire bowl ships complete with lava rock and an industry-leading burner for use with either natural gas or liquid propane.

Easily-customizable installation solutions for creating a stone masonry outdoor kitchen using modular cabinetry units. Installs in less than half the time it takes for traditional building techniques.

Because Cultured Stone, Eldorado Stone, and Kindred Outdoor + Surrounds, replicate natural stone, variations should and can be expected. Even though colors in this brochure are as close to the actual stone as possible, photographic and printing techniques — and actual viewing conditions — can alter perception of color. It is recommended to obtain a sample of the stone or brick before placing an order.
