

# LOW PROFILE EDGE RESTRAINT

**Snip 'n Flex  
One Piece System**

**Integral Connection**

**Low Profile**

**Snap Edge**

Built-in connection fastens one piece to the next.

Unique Snip & Flex feature speeds installation of curves and corners without pre-planning.

One Piece can be used for straight or curved installations.

Spike bosses every 4" on center. *Recommended spike spacing is 1 spike every foot for driveways and 1 spike every 16" for patios and walkways.*

Open base design promotes root system development and growth right through the base further strengthening the installation

**Still made  
in the USA**
