

# 83" Mutual Raised Garden Bed Kit

**Size:** Outside Diameter: 83" x 39" x 12"

**Piece Count:**

Corner Units:	12
4" x 12" Caps:	24
4" x 12" Units:	24

## Instructions

1. Prepare the garden bed location by establishing a level surface about 89" x 45".

2. Place units as shown in picture paying particular attention to using smooth top units next to corner units as shown in picture above. Complete the first layer before adding second layer

3. Lay the second layer above the first starting at a corner. Note the 11-inch side of the corner lock will now be over the 6 1/2" side of the corner block beneath.

4. Add the third layer which lays out the same as the first. Use all smooth top cap units and corners.

5. Fill the inside of the raised garden bed with soil and plants.
